### **Celebrate with Style Announces Father's Day Contest**

(Garden City, NY)—Celebratewithstyle.com today announced its first online Father's Day contest. Contestants are invited to share the story of a wonderful experience that they had with their own Dads, or perhaps with their kids' Dad. By doing so, they are automatically entered to win a \$250 gift certificate for a "Take a Great Dad to Dinner" celebration at the restaurant of their choice.

Eligible stories can relate to any occasion—for example, an experience that took place at home or away—for example, during a vacation or a special outing. It can be a funny story or one that was particularly touching.

"Most of us have special memories of great times with our Dads that still make us smile. Or perhaps the best story is one that involves an experience that our own children had with their Dad," said publisher JoAnne Alter. "Either way, this Father's Day contest provides a wonderful reason to recall these memories. It also offers the chance to win a \$250 gift certificate for a "Take a Great Dad to Dinner" evening at the restaurant of their choice."

The deadline for entries is June 11, 2007. The winning entry, plus three runners-up, will be posted on the site on June 14, 2007. Contest details can be found at <http://www.celebratewithstyle.com>.
